Dear Ms. Dortch;

I am writing this letter in opposition to LightSquared request to proceed with its plan. I along with many other professional land surveyors throughout the country has invested thousands of dollars in purchasing a GPS unit to better serve our clients and to feed our families. LightSquared **SHOULD NOT BE ALLOWED TO TAKE OUR LIVELYHOOD AWAY FROM US.**

I TRULY BELIEVE THAT THE FCC WILL ACT ON THIS WITH A POSSITIVE SPIN TOWARDS THE COMMUNITY THAT NOW USES HIGH-PRECISION GPS.

Sincerely,

Francis M. Sova, PLS
